

## Connecting Schools to UPMC

Are you looking to connect K-12 students to education and experience resources at UPMC? The UPMC Office of Academic Affairs is here to help connect school administrators, teachers, students, parent/guardians, community partners, etc with all resources available at UPMC to meet your education, experience, and/or career readiness needs.

### Our Offerings:

- Shadowing and UPMC facility tours
- On-site/virtual career education for students
- Higher education academic partner resources
- Job opportunities for students
- Connections to healthcare professionals at UPMC
- Internships/Externships/Career & Technical Education Programs at UPMC
- Career fair/EXPO resources
- Not listed? Please ask!
