

# MANUFACTURING Dream Team

**A career in manufacturing is a rewarding journey  
full of innovations, technology, and endless opportunity  
– one all students should explore!**

The manufacturing dream team is a group of regional talent sharing highlights of their career paths and experiences with students through classroom visits, careers fairs, and facility tours.

**We want to send the Manufacturing Dream Team to you!**

**Teachers, schools, and organizations**

exploring careers with young people can request an appearance

**Tara Lawrence**  
Manufacturing Talent Stream Coordinator
